

WYLIE INDEPENDENT SCHOOL DISTRICT

6249 Buffalo Gap Road
Abilene, Texas 79606
(325) 692-4353

September 11, 2017

Dear Parent/Guardian,

HB 657, which was passed into law on May 29, 2017, requires the school district to notify you of the following:

For students in grades 5 and 8, who do not perform satisfactorily on the first administration of the STAAR reading and/or math assessment, the ARD committee must meet before the second administration.

At that time, the committee shall determine:

1. The manner in which the student will participate in an accelerated instruction program; and
2. Whether the student will be promoted or retained

At the meeting the committee, may promote the student to the next grade level if the committee concludes that the student has made the sufficient progress in the measurable annual goals contained in the student's individualized education program. A school district that promotes a student under this option is not required to provide additional opportunity for the student to perform satisfactorily on the assessment instrument.

If you have any questions, please contact your campus principal.

Highest regards,

Joey Light, Superintendent
Wylie Independent School District
