

Dear WatchDOG,

Since our initial Pizza Night WatchDOG Informational Meeting, we have been asked to add one additional step to our sign-up process. We apologize for not having this information before our meeting. Will you please help us spread the word to new and former WatchDOGS?

All WatchDOGS are now required to complete a more thorough background check. This is just one more way to ensure that all our students are as safe as possible. To begin the background check process, please go to the Wyliewatchdogs.com website and you will see the three step process for this year's sign-up for WatchDOGS.

Step One will guide you through the simple process of the background check.

STEP ONE - COMPLETE A BACKGROUND CHECK.

Once you are approved you will receive a confirmation email from Wylie ISD. AFTER APPROVAL PROCEED TO STEPS 2 & 3

COMPLETE BACKGROUND CHECK HERE

Please note that you will not be able to proceed to Steps 2 and 3 until you have received a confirmation email from Wylie ISD. The background check process is easy for the WatchDOG but may take several days for you to receive the actual confirmation e-mail. Please begin this process **as soon as possible** to avoid a delay in getting to your child's campus.

After receiving your confirmation e-mail, you may then proceed to Step Two.

STEP TWO - ORDER YOUR WATCH DOGS T-SHIRT

***REQUIRED**

<http://dadsofgreatstudents.com/general>

Our WatchDOGS are required to wear an Official WatchDOG t-shirt. If you don't have one, you will need to order one as soon as your background check is complete so that you will have it before your scheduled WatchDOG visit.

And lastly, you will need to complete Step Three.

STEP THREE - Choose the campus your child is at and find a day that fits your schedule. 2 Dad's allowed on campus per day. **PLEASE ALLOW A WEEK IN ADVANCE FROM THE TIME YOU SIGN UP AND THE TIME THE SERVE.**

Each campus is listed, and you can access the campus's calendar to sign up for a time to be on your child's campus. **Please note that you are required to sign up at least one week in advance prior to your scheduled visit** and only two WatchDOGS are allowed on a campus per day.

As with anything new, we realize that there are bugs that we are needing to work out in order to improve our sign-up process. We apologize for any inconvenience that this additional step in the process may have caused anyone, but we think you will all agree that this helps us all meet the goal of ultimate student safety.

Being a WatchDOGS is a great opportunity to become a positive role model in the lives of our students. Should you have questions or need assistance in becoming a WatchDOG, please contact Zach at coachvassar@gmail.com. And remember, it's GREAT to be a Wylie WatchDOG!
